**INFORMATION STATEMENT**

**February 25, 2022**

This Information Statement is being provided to the shareholders of the Abbey Capital Futures Strategy Fund (the “Fund”), a portfolio of The RBB Fund, Inc. (the “Company”), to provide information regarding a new trading advisory agreement among Abbey Capital Limited (“Abbey Capital” or the “Adviser”), R.G. Niederhoffer Capital Management, Inc. (“RGNCM”), Abbey Capital Offshore Fund SPC, an indirect wholly-owned and controlled subsidiary of the Fund organized as a segregated portfolio company under the laws of the Cayman Islands (the “SPC”), and Abbey Capital Onshore Series LLC, another wholly-owned subsidiary of the Fund organized as a Delaware series limited liability company (the “Onshore Subsidiary” and, together with the SPC, the “Subsidiaries”). **THIS INFORMATION STATEMENT DOES NOT RELATE TO A MEETING OF THE FUND’S SHAREHOLDERS OR TO ANY ACTION BY SHAREHOLDERS. WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.**

**Background**

The Company is an open-end management investment company organized as a corporation under the laws of the State of Maryland. The Company currently consists of 48 separate portfolios, including the Fund.

The Fund seeks to provide long-term capital appreciation, with current income as a secondary objective. The Fund seeks to achieve its investment objective by allocating its assets between a “Managed Futures” strategy and a “Fixed Income” strategy. The Managed Futures strategy is achieved by the Fund investing a portion of its assets in the Onshore Subsidiary and up to 25% of its total assets in Abbey Capital Master Offshore Fund Limited, a wholly-owned and controlled subsidiary of the Fund organized under the laws of the Cayman Islands (the “Cayman Subsidiary”). The Cayman Subsidiary, in turn, invests all or substantially all of its assets in segregated portfolios of the SPC. The Cayman Subsidiary serves solely as an intermediate entity through which the Fund invests in the SPC. The Cayman Subsidiary makes no independent investment decisions and has no investment or other discretion over the Fund’s investable assets. The Managed Futures strategy investments are designed to achieve capital appreciation in the financial and commodities futures markets. The Adviser allocates the assets

of the Subsidiaries to one or more trading advisers (“Trading Advisers”) to manage in percentages determined at the discretion of the Adviser.

In addition to RGNCM, the Fund’s Trading Advisers consist of the following existing Trading Advisers: Aspect Capital Limited; Crabel Capital Management, LLC; Eclipse Capital Management, Inc.; Episteme Capital Partners (UK), LLP; Graham Capital Management, LP; P/E Global, LLC; Revolution Capital Management, LLC; Tudor Investment Corporation; Welton Investment Partners LLC; and Winton Capital Management Limited.

The Adviser may allocate assets of the Subsidiaries to multiple Managed Futures portfolios (the “Segregated Portfolios”) that include investment styles or sub-strategies such as (i) trend following, (ii) discretionary, fundamentals-based investing with a focus on macroeconomic analysis, (iii) strategies that pursue both fundamental and technical trading approaches, (iv) other specialized approaches to specific or individual market sectors such as equities, interest rates, metals, agricultural and soft commodities and (v) systematic trading strategies which incorporate technical and fundamental variables.

Each Trading Adviser manages one or more of its own Segregated Portfolios. Each Trading Adviser invests according to a Managed Futures strategy in one or a combination of (i) options, (ii) futures, (iii) forwards, (iv) spot contracts or (v) swaps, including total return swaps, each of which may be tied to (i) commodities, (ii) financial indices and instruments, (iii) foreign currencies, or (iv) equity indices. All commodities futures and commodities-related investments are made in the Segregated Portfolios of the SPC. Each current Trading Adviser is registered with the U.S. Commodity Futures Trading Commission (the “CFTC”) as a Commodity Trading Advisor (“CTA”). Trading Advisers that are not registered with the Securities and Exchange Commission (“SEC”) as investment advisers provide advice only regarding matters that do not involve securities.

The Fixed Income strategy invests the Fund's assets primarily in investment grade fixed income securities (of all durations and maturities) in order to generate interest income and capital appreciation, which may add diversification to the returns generated by the Fund's Managed Futures strategy. The Fund must set aside liquid assets, or engage in other SEC or staff-approved measures, to "cover" open positions with respect to certain kinds of derivative instruments. The Fixed Income strategy investments may be used to help cover the Fund's derivative positions.

The Adviser has entered into a trading advisory agreement with each Trading Adviser to manage a portion of one or both of the Subsidiaries’ assets. Each Trading Adviser makes investment decisions for the assets it has been allocated to manage. The Adviser oversees the Trading Advisers for compliance with the Fund's investment objective, policies, strategies and restrictions, and monitors each Trading Adviser's adherence to its investment style. The board of directors of the Company (the “Board”) supervises the Adviser and the Trading Advisers, establishes policies that they must follow in their management activities, and oversees the hiring, termination and replacement of Trading Advisers recommended by the Adviser.

Not all of the Trading Advisers listed for the Subsidiaries may be actively managing assets for one or both of the Subsidiaries at all times. Subject to the oversight of the Board, the

Adviser may temporarily allocate the assets of one or both of the Subsidiaries away from a Trading Adviser. Situations in which the Adviser may make such a determination include changes in the level of assets in the Fund, changes to the Adviser's view of the Trading Adviser's current opportunities, changes in a Trading Adviser's personnel or a Trading Adviser's adherence to an investment strategy.

The Fund is managed by the Adviser and one or more Trading Advisers unaffiliated with the Adviser. The Adviser also has the ultimate responsibility to oversee the Trading Advisers, and to recommend their hiring, termination and replacement, subject to approval by the Board. The Fund compensates the Adviser for its services at the annual rate of 1.77% of the Fund's average annual net assets, payable on a monthly basis in arrears. The Adviser compensates the Trading Advisers out of the advisory fee that it receives from the Fund.

The Fund has registered four classes of shares: Class I Shares, Class A Shares, Class C Shares and Class T Shares. Class T Shares are not currently available for sale. The Adviser has contractually agreed to waive its advisory fee and/or reimburse expenses in order to limit total annual fund operating expenses (excluding certain items discussed below) to 1.79%, 2.04%, 2.79% and 2.04% of the Fund's average daily net assets attributable to Class I Shares, Class A Shares, Class C Shares and Class T Shares, respectively. In determining the Adviser's obligation to waive advisory fees and/or reimburse expenses, the following expenses are not taken into account and could cause net total annual fund operating expenses to exceed 1.79%, 2.04%, 2.79% or 2.04%, as applicable: acquired fund fees and expenses, brokerage commissions, extraordinary items, interest or taxes. This contractual limitation is in effect until December 31, 2022 and may not be terminated without the approval of the Board. If at any time the Fund's total annual fund operating expenses (not including acquired fund fees and expenses, brokerage commissions, extraordinary items, interest or taxes) for a year are less than 1.79%, 2.04%, 2.79% or 2.04%, as applicable, the Adviser may recoup any waived or reimbursed amounts from the Fund within three years from the date on which such waiver or reimbursement was made by the Adviser, provided such reimbursement does not cause the Fund to exceed expense limitations that were in effect at the time of the waiver or reimbursement.

### **R.G. Niederhoffer Capital Management, Inc. and the RGNCM Agreement**

At a regular meeting of the Board held on September 21-22, 2021 (the "Meeting"), the directors, including a majority of those directors who are not "interested persons" of the Company (as such term is defined in the Investment Company Act of 1940, as amended (the "1940 Act")) voting separately, approved a new trading advisory agreement among Abbey Capital, RGNCM, and the Subsidiaries (the "RGNCM Agreement"). The initial allocation of Fund assets to RGNCM occurred on November 29, 2021.

The terms and conditions of the RGNCM Agreement are substantially the same as those of the existing trading advisory agreements with the Fund's other Trading Advisers, except that the fee rate to be paid to RGNCM under the RGNCM Agreement may differ from the fee rate charged by the Fund's other Trading Advisers pursuant to their respective trading advisory agreements with the Adviser. Under the RGNCM Agreement, RGNCM receives a fee from the

Adviser to manage a portion of the assets of one or both of the Subsidiaries allocated to RGNCM by the Adviser (the “Allocated Assets”). Such fee is paid by the Adviser and not by the Fund or the Subsidiaries out of the advisory fee paid by the Fund to the Adviser pursuant to their advisory agreement (“Advisory Agreement”). The Fund would have paid the same amount of advisory fees had the RGNCM Agreement been in effect during the last fiscal year.

The RGNCM Agreement provides that RGNCM shall, subject to the supervision and oversight of the Adviser, trade the Allocated Assets on behalf of the Subsidiaries in accordance with the terms of the RGNCM Agreement and the Supplemental Trading Agreement entered into by the Adviser and RGNCM in relation to the Allocated Assets and in accordance with (i) the investment objective, policies and restrictions of the Subsidiaries and the Fund in relation to the Subsidiaries set forth in the Fund’s prospectus and statement of additional information, as they may be amended from time to time, any additional policies or guidelines, including without limitation compliance policies and procedures, established by the Adviser, the Company’s Chief Compliance Officer, or by the Board, all of which have been furnished in writing to RGNCM, (ii) the written instructions and directions received from the Adviser and the Company as delivered; and (iii) all laws applicable to the Subsidiaries and RGNCM’s duties under this Agreement, all as may be in effect from time to time.

The RGNCM Agreement provides that RGNCM may, on occasions when it deems the purchase or sale of a commodity interest to be in the best interests of a Subsidiary as well as other fiduciary or agency accounts managed by RGNCM, aggregate, to the extent permitted by applicable laws and regulations, the commodity interests to be sold or purchased in order to obtain the best overall terms available. RGNCM agrees to be aware of the position limits imposed on certain commodity interest contracts by the CFTC or applicable contract market. RGNCM currently believes and represents that such speculative limits will not materially affect its trading recommendations or strategy for the Subsidiaries given RGNCM’s current accounts and all proposed accounts for which RGNCM has a contract to act as a CTA.

The RGNCM Agreement provides that it will continue in effect for an initial term ending August 16, 2023, and from year to year thereafter so long as such continuance is specifically approved at least annually (i) by the Board or by vote of a majority of the outstanding voting securities of the Fund, and (ii) by vote of a majority of the directors of the Company who are not interested persons of the Company, the Adviser or RGNCM, cast in person at a meeting called for the purpose of voting on such approval. The RGNCM Agreement may at any time be terminated without penalty on 60 days’ written notice to RGNCM by vote of the Board or by vote of a majority of the outstanding voting securities of the Fund, by RGNCM on 60 days’ written notice to the Company and the Adviser, or by the Adviser immediately upon notice to RGNCM, and the RGNCM Agreement terminates automatically in the event of an assignment (as defined in the 1940 Act) or upon termination of the Advisory Agreement.

The RGNCM Agreement provides that RGNCM shall not be liable for any loss arising out of any services carried out under or in connection with the RGNCM Agreement, except a loss resulting from RGNCM’s material breach of the RGNCM Agreement or of its representations or warranties therein, or from willful misfeasance, bad faith or gross negligence

in the performance of its duties, or by reason of reckless disregard of its obligations and duties thereunder. Under no circumstances shall RGNCM be liable for any loss arising out of any act or omission taken by another trading adviser, or any other third party, in respect of any portion of the Fund's assets not managed by RGNCM.

The RGNCM Agreement provides that RGNCM shall indemnify the Adviser, the Company, the Fund and the Subsidiaries, and their respective affiliates and controlling persons (the "Adviser Indemnified Persons") for any liability and expenses, including reasonable attorneys' fees, which the Adviser Indemnified Persons may sustain as a result of RGNCM's breach of the RGNCM Agreement or its representations and warranties therein or as a result of RGNCM's willful misfeasance, bad faith, gross negligence, or reckless disregard of its duties thereunder or violation of applicable law; provided, however, that the Adviser Indemnified Persons shall not be indemnified for any liability or expenses that may be sustained as a result of the Adviser's willful misfeasance, bad faith, gross negligence, or reckless disregard of its duties thereunder.

The RGNCM Agreement provides that the Adviser shall indemnify RGNCM, its affiliates and their respective controlling persons (the "RGNCM Indemnified Persons") for any liability and expenses, including reasonable attorneys' fees, arising from, or in connection with, the Adviser's breach of the RGNCM Agreement or its representations and warranties therein or as a result of the Adviser's willful misfeasance, bad faith, gross negligence, reckless disregard of its duties thereunder or violation of applicable law; provided, however, that RGNCM Indemnified Persons shall not be indemnified for any liability or expenses that may be sustained as a result of RGNCM's willful misfeasance, bad faith, gross negligence, or reckless disregard of its duties thereunder.

### **Board's Considerations in Approving the RGNCM Agreement**

The Board, including a majority of those directors who are not "interested persons" of the Company (as such term is defined in the 1940 Act) approved the RGNCM Agreement at the Meeting.

*The RGNCM Agreement.* In considering the approval of the RGNCM Agreement, the Board took into account all materials provided prior to and during the Meeting and at other meetings throughout the past year, the presentations made during the Meeting, and the discussions held during the Meeting. Among other things, the Board considered (i) the nature, extent, and quality of services to be provided to the Fund by RGNCM; (ii) descriptions of the experience and qualifications of the personnel providing those services; (iii) RGNCM's investment philosophies and processes; (iv) RGNCM's assets under management and client descriptions; (v) RGNCM's soft dollar commission and trade allocation policies; (vi) RGNCM's advisory fee arrangements

with the Company and other similarly managed clients, as applicable; (vii) RGNCM’s compliance procedures; and (viii) RGNCM’s financial information and insurance coverage.

The Board also considered the fees payable to RGNCM under the proposed Trading Advisory Agreement with RGNCM and the services to be provided by RGNCM. In this regard, the Board noted that the fees for RGNCM were payable by Abbey Capital.

After reviewing the information regarding the Adviser’s and RGNCM’s costs, profitability and economies of scale, and after considering the services to be provided by RGNCM, the Board concluded that the trading advisory fees to be paid by Abbey Capital to RGNCM were fair and reasonable, that the Trading Advisory Agreement is in the best interests of the Fund and its shareholders and does not involve a conflict of interest from which the Adviser derives an inappropriate advantage, and that the Trading Advisory Agreement should be approved for an initial period ending August 16, 2023.

**Additional Information**

*Advisory and Trading Advisory Fees.* For the fiscal year ended August 31, 2021, after waivers and reimbursements, the Fund paid advisory fees to the Adviser of \$16,907,660, and the Adviser paid trading advisory fees to the Trading Advisers in the aggregate amount of \$5,324,009.
